Presidents Message From Tony DeLeo

Hello Members,

The club meeting and picnic was a great success with a good turnout. Thanks to Keith and the boys from Rancho who served us a great lunch. I want to also thank the ladies for the decorations and games that helped make it even better.

At the beginning of the month, after Supercar Sunday, we went to Gary Wales home for an interesting tour of his garages and home.

On Saturday, September 27th, club members met up at Warner Center Park for the Salute To Firefighters Festival & Car Show. We had a great turnout and Kevin La Rosa and I both won trophy's.

We also decided to take a cruise on the 3rd Saturday of the month to the Thousand Oaks cars 'n coffee since Supercar Sunday had been cancelled.

At the recent board meeting we discussed updating the club logo and by-laws to encourage more participation in our club by owners of other Chevys from the 50's, 60's and 70's. We hope to vote on the logo change at the next meeting.

Lastly, if you want to go to the Holiday Party you **MUST RSVP TO ATTEND**. Please RSVP and pay by November 30th to Gerry Wasson.

Take care and see you soon!

Tony

MINUTES OF THE OCTOBER MEETING OF CCSC

President Tony DeLeo called the meeting to order at 10:15 am. All board members were present. Sgt. at Arms Jim Ayach began selling 50/50 raffle tickets. There were over 40 members in attendance. The picnic tables and surrounding area was decorated for Halloween. Tony announced that the BBQ was being prepared by Rancho San Antonio and we would be eating around 11:00 am. He then announced the birthdays and anniversaries for October. New member Doug Yick (son of member Goerge Yick) was in attendance. Club treasurer Gerry Wasson went over financials for the month. Books are in good shape. Vice President Clark Pomeroy went over upcoming car shows. Flyers are in the newsletter.

OLD BUSINESS: Budweiser Car Show is on October 25. We will meet at Lulu's Restaurant, at Balboa and Roscoe, at 7:00 am.

NEW BUSINESS: Tony spoke about changing the club logo. Discussed replacing "55 - 56 - 57" with "50's - 60's - 70's" or leaving the area blank to show that club is available to all classic chevys. Also discussed adding General Motors in logo.

Dale Kredell has his '55 for sale.

Caren Blumfield reminded everyone about the holiday party at the Tierra Rejada Golf Club. RSVP and payment of \$35 per person before November 30. Caren passed out flyers and made a large poster.

FLOOR DISCUSSION: CCSC was established January, 1976. The bylaws need to be updated since it has not been done since 2010. At the November meeting we will take a vote regarding the new logo. President DeLeo passed around two different ideas.

Fran Landsberry suggested that the logo be "Classic Chevys and General Motors."

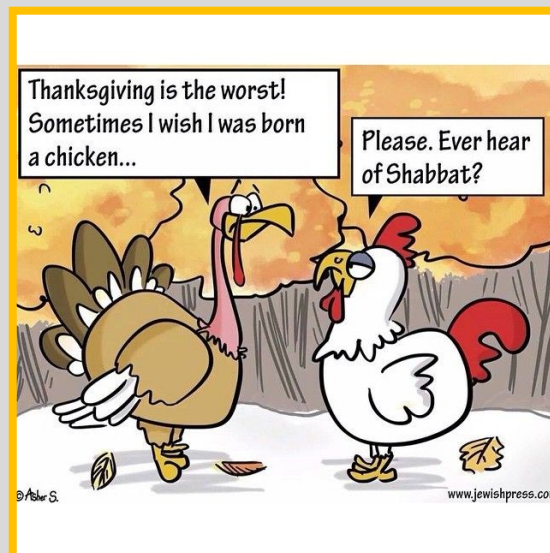

Alan reminded everyone that the first car show meeting will be October 15th at IHOP. All are invited to attend with their ideas to help make our 2026 car show bigger and better. Keith from RSA (Rancho) said he would attend the meeting. Assistant car show chairman Tony DeFrank will not be at the meeting.

50/50: Won by Chip Rood in the amount of \$130.00.

BADGE RAFFLE: Won by Sherwin Silver, however, Sherwin did not have his badge because it was in his car and he rode with Caren in her car. Badge raffle next month will be worth \$40.

Meeting adjourned at 10:45 AM.

Respectfully Submitted,
James Stevens

"ONE OF NONE"

Challenger

★ **"1971" CONVERTIBLE** ★
WITH A 426 HEMI AND A 4 SPEED MANUAL TRANS

THE ORIGIN STORY

-1970-

Dodge introduced the Challenger however produced only 9 Challenger Convertibles with the 426 HEMI, 4 with automatics and 5 with four speed manual gearboxes. Most buyers of the HEMI Challenger wanted a hardtop.

-1971-

Dodge decided to reduce the options available for the 1971 Challenger Convertible and eliminated most of the performance options including the ability to order the 426 HEMI Engine.

Therefore in 1971 there were "ZERO" 426 HEMI Challenger Convertibles factory produced!

Dodge also made 1971 the last year the Challenger would be available in a Convertible thus ending its production after only Two Years.

By limiting the Challenger Convertible production to 1,857 units in 1971 Dodge made the 1971 Challenger one of the Rarest E-Body Convertibles produced.

THE RENOVATION GOAL

-2025-

To restore this 1971 Challenger Convertible to what it would look like if it had been offered by Dodge with a 426 HEMI Performance Package and a four speed manual transmission in 1971.

Coupling of the 426 HEMI with an E-Body resulted the pinnacle of muscle car excess!

Since Dodge did not offer this car in 1971 we decided to build our own.

"ONE OF NONE"

This recently restored, Extremely Rare Challenger Convertible has the following new upgrades:

- Period Correct 426 HEMI Engine with Stroker Kit with approximately 500 C.I. and an Estimated 550+ HP with Two Carter 4 Barrel Carburetors
- 4 Speed Manual Transmission, Clutch & Pressure Plate with Hurst Pistol Grip Shifter
- US Copper Core Four Row 26" Radiator, Stock 7 Blade Fan w/clutch & Shroud
- Shaker Hood Conversion
- Custom Drive Shaft
- Dana 60 limited Slip Rear End with 3.07 Gears
- Custom Bassani 3" Stainless Steel Exhaust System
- Power Steering
- Power Brakes with front Discs
- Power Convertible Top including Frame & New Rear Glass window
- Premium 15" Rallye Wheels and Tires
- New Chrome Accents
- New Windshield
- Rally Stripes
- Proper Badging and Decals
- LED Headlights
