Presidents Message From Tony DeLeo

Hello Members,

First off, I want to give a shout out to George Yick who was in the hospital. Hoping for a full recovery, our prayers are with you. And any other club members facing health issues at this time, I am thinking of you and wishing you well.

The Budweiser Halloween Car Show went very well and some club members wore costumes that were real spooky. :-)) I really enjoyed the clubs participation. It was festive.

The Model A Car Show at the Boys Home with Clark had a great turnout for a good cause and some of our members won awards. Congratulations to Dale, Gerry and Ira.

A reminder that there is a December 18th deadline for the Rancho San Antonio Giving Tree. Lets not forget our boys! There is a gift list and a donation area on their website. ranchosanantonio.org.

Sunday morning, December 7th, is Motor 4 Toys at Pierce College. Don't forget to bring a toy. Looking forward to our Holiday party also on Sunday, December 7th, starting a 6 PM at Tierra Rejada Golf Club.

Presidents Message From Tony DeLeo

Continued from page 1 ...

At a recent board meeting we discussed updating the club logo and bylaws to encourage more participation in our club by owners of Chevy's from the 50's, 60's and 70's. I can't stress enough the importance of expanding our club and encouraging more participation with our Classic Chevy Club. For the growth and vitality of the club I, and others, truly believe this is a good move forward.

We are hoping for a vote on the issue of updating the club logo at our next meeting.

Lastly, a huge shout out to Sherwin, Edie and Gerry for doing the club newsletter. It takes a lot work, a lot of time and care, and I know many appreciate it as I do!

HAPPY THANKSGIVING EVERYONE
Tony

MINUTES OF THE NOVEMBER MEETING OF CCSC

President Tony DeLeo called the meeting to order at 10:19 AM on Nov. 1, 2025. All board members were present. Sgt. At Arms Jim Ayach began selling 50/50 raffle tickets. There were over 20 members present, no new members and no guests. Treasurer Gerry Wasson went over financials for October and the books are in good shape. Tony read the birthdays and anniversaries for the month. Vice President Clark Pomeroy reviewed the car show flyers for November and December, which are also in the monthly newsletter.

FLOOR DISCUSSION: Alan Donath spoke about Motor 4 Toys on December 7 at Pierce College. A gift for a boy or girl valued at \$20 is requested. Jim Stevens spoke about the great turnout in the past. A cash donation in lieu of the toy is acceptable.

Holiday party is on December 7, RSVP is mandatory. The price is \$35 per person. Edie Sullivan and Nancy Rood spoke about the evening plans. There will be a buffet dinner, a no host bar and a corkage fee if you bring your own wine. The holiday party last year had reservations for 65 and 19 additional guests showed up without RSVPing, therefore the restaurant was not prepared and there was insufficient food and seating was a problem. Please be sure to RSVP before **November 30**.

Mike Ficera has invited our club to see his garage in the near future. It would be on the 1st or 3rd Saturday of the month. He has a collection of Model T's and Corvettes.

OLD BUSINESS: The Budweiser show was good. The club had a turnout of 12 cars.

Clark spoke about the possibility of Rancho Boys Home having a security check at the gate for anyone entering due to homeless and a federal mandate. Might effect entering RSA for the Model A car show.

Jerome Ruzicka questioned why birthdays and anniversaries were announced for members that don't attend meetings.

Gerry Wasson reported on Chuck Flicek's current health condition after Jerome asked about not seeing him lately.

NEW BUSINESS: Car show meeting November 12 at IHOP, dinner at 6 PM and meeting at 7 PM.

Jim Stevens waiting to hear back about artwork for next years car show.

Alan informed the club that the engine has been purchased from Rydell Chevrolet.

Tony DeLeo's truck will be on the cover of California Car Cover's catalogue.

Alan And Jerome spoke about a 1969 Camaro for \$15k.

Dale Kredell still has his "55 Chevy for sale.

50/50: Won by Sherwin Silver in the amount of \$72.

BADGE RAFFLE: Won by Jerome but he didn't have his badge. \$45 in December.

Before the meeting was adjourned there was a discussion regarding a change to our logo. Dale Conover wants to have input about the change. By-law changes will be voted on once the board has agreed upon the changes. Gerry will email members the marked up by-laws once that happens.

Going to El Capitan in Simi Valley after the meeting.

Meeting adjourned at 10:50 AM.

Respectfully Submitted,
James Stevens
Secretary
