President's Message By Mike Alfieri

Hello Everyone!

I hope everyone is well. We have had a few days of rain and a few days of warm temperatures. It's hard to tell what you're going to get unless you look outside in the morning. Last month we had nominations for officers and we kept our President, Mike Alfieri (me, lol), our Vice President, Alan Donath, our Treasurer, Gerry Wasson, and our Sargent at Arms, Mike Perrin. The only change was Secretary as Mike Novins chose not to continue and Denise Seth-Hunter was nominated with a second confirmation. Our next meeting in April will be our last meeting before our Car Show, we need more volunteers. It's hard to believe that May is just around the corner. I am really looking forward to it. You know they say the older you get, breakfast is every 15 minutes. It is so nice that we are getting some new members and the participation in Super Car Sundays and Car Shows has grown so much. We really have such a good group of members. Looking forward to seeing everyone at our next meeting in April.

Regards, Mike Alfieri

UP CLOSE AND PERSONAL CLUB MEMBER STORY

AUTO CLUB RACEWAY FONTANA 2017

Alan is the kind of man that its impossible to buy anything for. Can't buy him clothes. Can't buy him jewelry. I buy things for his trailer only to return them. Didn't need, doesn't want. Gift cards seem to work, but that's boring. Nothing like opening a present that you love. But what would that be? Couldn't think of a thing. So I decided I was going to start giving him Experiences in life that he wouldn't think of or pay for. Something he's never done and maybe had on his bucket list? Or, so I thought. I think I was more excited than him. Being a car guy, I thought he would enjoy going round the track in a race car driven by a race car driver. I gave it to him in the form of a Gift Certificate for Christmas and waited for his reaction when he opened it. He just stared at it. I think he was taken back. He wasn't particularly excited about it. Didn't say anything. I had thought this would be the dream gift for him. He held onto it for months and said nothing. Finally I said I was going to book the date. I invited Bob Forrest and Margie, and Barb and Dave Frey to come with us. It was great fun getting Al all dressed in the racing suit and lots of anticipation waiting to go. Lots of other guys went before him. This experience was only 3 rounds around the track. The cars went 170 to 200 miles an hour. The guy in front of Alan went around once and said, Let me out ! I thought Al would back out after that but he didn't. We watched him drive around the track anticipating what he was experiencing. I think he was Relieved when they finished. I asked him if he'd like to go again but this time with 10 times around the track. He said NO! They asked if any of us wanted to go. I said, no way. I thought Dave would go, but he said NO way. Ha Ha ! Alan was a good sport. It was fun while it lasted. We all went to lunch after and reminisced the day.
