Presidents Message From Tony DeLeo

Hello Everyone,

We had our first club meeting at St. John Eudes Church. Thanks to Jerome for finding our new location. We also had our first car show meeting of the year and discussed t-shirts and colors, which will be finalized at the next club meeting.

There weren't many Supercar Sundays due to the rain. However, last Saturday, January 17th, the club ventured to Mike Ficara's garage to see his car collection. Thanks to Clark for setting this up for us. I was unable to attend but heard there was a great turnout.

It was a slow month overall. I hope everyone is staying happy and healthy, and I look forward to seeing you at our next club meeting on Saturday, February 7th.

Tony

MINUTES OF THE JANUARY MEETING OF CCSC

President Tony DeLeo called the meeting to order at 10:13 AM. All board members are present. Sgt. At Arms Jim Ayach was selling 50/50 raffle tickets. Over 30 members are present. One special guest was Keith Weiser from Rancho San Antonio. President Tony DeLeo thanked Jerome Ruzicka for setting up the new meeting place at St. John Eudes church. Classic Chevys of Southern California 50th anniversary is this year. New member Nick Aiello was asked to tell the club about his 1955 Chevy. The car has had several owners since the car was first built. Nick, with Dusty Troyans help, located the car. Dusty suggested he join CCSC and Alan Donath helped with the decision. We all know how persistent Alan can be, myself included. The board was introduced by President DeLeo. Treasurer Gerry Wasson gave the financial reports for December 2025. Books are in good shape. Gerry has car show flyers and engine raffle ticket books available for members.

FLOOR DISCUSSION: Vice-president Clark Pomeroy said he is working on a club directory. He asked members for a photograph to include in the directory if they had not already provided one. The new directory should be available in February or March. Clark also talked about a club outing on January 17th. Meeting at Dennys (Burbank & Topanga) and then going to the T.O. Oaks Mall cars 'n coffee. Afterwards going to Mike Ficara's garage. Clark went over other upcoming events.

The club sent flowers to Chuck Flicek's family.

OLD BUSINESS: Club logo change was discussed. There were numerous pros and cons about the change. Tony let every member speak about the change. Tony reminded members that the club was established in 1976 and the club is 50 years old which is saying a lot about the club. Too many members had opinions to be recorded. We have over 3000 Facebook followers. Bailey Singer suggested use of other social media platforms in order to increase interest in the club. Paper was passed out to members for a secret vote on the logo change. The decision was unanimous to not change the logo at this time

NEW BUSINESS: Keith Weiser, from Rancho San Antonio, spoke about the extra security at RSA due to a potential Federal Government contract and other new changes. He will know more after January 16th. Our show will go on but he doesn't know about meeting there. The donors dinner and Saturday mass will still happen. More security and portable restrooms might have to be included in our show. Fernando Rodriguez said his nephew has a security service and he would ask about security for our show.

Sharon Novins complimented Edie Sullivan, Nancy Rood and Caren Blumfield on the decorations for the holiday party. Tony, and other club members that attended the party also expressed their appreciation.

Jerome brought home grown fruit to give away. He also reminded members about ordering club jackets and said that meeting space at St. John Eudes would be available February and March.

Gery Pfankuchen had horse shoes to give away, but no horses.

BIRTHDAYS / ANNIVERSARIES: President DeLeo announced the birthdays and anniversaries for January 2026. There were many.

50/50: \$92 won by Chip Rood.

BADGE RAFFLE: Amber Knadjian (not present). \$55 in February

Tony asked for a show of hands from those going to the Junkyard in Simi Valley.

Meeting adjourned at 11:25 AM.

Respectfully Submitted,
James Stevens
Secretary

Happy New Year

Dear The Classic Chevys of SoCal,

We just want to say thank you for your generous Christmas donation of sports balls, including footballs and basketballs, to our kids. Your thoughtfulness truly meant a lot to both our youth and staff this holiday season.

Sometimes it's the simple things that make the biggest difference. These sports balls give our youth a chance to stay active, work together, and simply enjoy being kids. We've already seen them playing, laughing, and encouraging one another, and moments like these are incredibly important for them.

We truly appreciate your ongoing, unwavering support. Knowing that you all continue to show up for our kids year after year means more than we can express. Brother John would be proud and honored by your constant efforts and the care you show in supporting our youth and our mission.

The holidays can be a tough time for many of the youth in our care, and your generosity helped bring joy, comfort, and a reminder that they are cared for. Thank you for always thinking of our home and for the positive impact you continue to have on our kids.

With heartfelt thanks,

Rancho San Antonio
