President's Message By Mike Alfieri

Hi Everyone,

I can't wait for the weather to be nice enough to drive my Classic Cars more. I keep starting them up using the trickle charger, etc. I have been missing Super Car Sunday because of weather which upsets my rhythm.

This will soon pass and we will get back to my favorite time of year, summer. Car shows, nice cool evenings, more activities and more to talk about.

I will be missing all of you this Saturday at our Meeting. My son bought my wife and I a 2 day stay in Coronado for February 2nd thru 4th. It is not refundable, so we have to go. Alan will take over the meeting.

See you all soon,

Mike

CCSC CLUB MEETING

1955 CHEVY BY DAVID KAHN

1955 Chevy Convertible, I bought it in 1964. It had 21,000 miles on it and had been parked in a garage on blocks for 7 years.

I paid \$700.00 for it (split the cost with my parents). I was careful to get permission from my dad that I could do anything I wanted to it!

The first thing I did was took out the Powerglide and put a 3 speed stick and a Dontov 3030 cam and dual quads.

By the time I was finished it had a 327 and 4 speed.
