A Message By Some Random Person

Hi Everyone,

As most of you are aware by now our President, Secretary and Sergeant at Arms have resigned. What is important now is that we fill the vacancies so that the club can continue to function. Please consider running for one of the open positions.

At our last meeting we presented a \$10,000 check to Keith (Rancho San Antonio) as a result of the money raised from our car show. We will make an additional donation around Christmas as usual.

We had a great turnout of members at both the LAPD car show and the Road Kings car show and a number of members attended the Calvary Westlake car show. Four members won awards at the LAPD show, two members won at the RK's show, and one member received an award at the Calvary Westlake show. We tied for the club participation award at the Road Kings show, but lost on a coin toss. We were later told that the Road Kings were going to have an award made up for us.

That's all I got for now.
