Presidents Message From Tony DeLeo

Hello Everyone - Hope everyone is doing well!

In my message last month we were wishing Sherwin well after major surgery, and he's doing great. He looks fantastic and it was really great to see him at the meeting and the Summer Party.

Caren did a wonderful job on the Summer Party with help from Nancy, Edie, and others. The pirate costumes and themes were great, the company of members was great, but it would've been nice to see more faces there. And a big shout out to all the people that stayed afterwards and helped clean up. Super teamwork!

After the last meeting, people gathered at the Junkyard, I'm sorry I was unable to attend.

A great turnout at the Reagan Library on the 1st Sunday of the month. The County Line Cars and Coffee on the 2nd Saturday of the month also had a good turnout. It was my first time and I was impressed. There was a nice selection of cars. There is also a cars and coffee on the 3rd Saturday in Thousand Oaks by the Firestone store that I hear is very good. Thanks to Oran for the heads-up.

I'm looking forward to our club picnic on October 11th, right after our meeting. Keith at the Boys Home is putting on a BBQ for us. Please, everyone RSVP "yes" or "no" to Edie so they don't make too much or too little food. I look forward to seeing you at the meeting and hanging out with everyone at the picnic.

Tony

MINUTES OF THE SEPTEMBER MEETING OF CCSC

President Tony DeLeo called the meeting to order at 10:10 AM. There were approximately 30 members present. Fran Landsberry was asked to sell the 50/50 raffle tickets since she did such a great job at the August meeting. Fran accepted. Board members present were Tony DeLeo, Clark Pomeroy, Gerry Wasson and Jim Stevens. Jim Ayach, Sgt. At Arms, was not present. President DeLeo recognized Sherwin Silver. Sherwin spoke briefly about his recent heart surgery. Everyone was glad Sherwin is doing well. Guest present was Renee Jacobs, Ira's wife.

Club Treasurer, Gerry Wasson, went over financials for the month. Books are in good shape.

Vice President, Clark Pomeroy, went over upcoming car shows. Flyers are in the newsletter.

OLD BUSINESS: Party at Caren Blumfield and Sherwin Silver's on September 13, 2025. RSVP is a must. Hours 6 to 10.

NEW BUSINESS: There is a get together at the Ronald Reagan Library from 6 AM to 10 AM on the first Sunday of the month serving coffee and doughnuts. We will meet at the 118 and Topanga Canyon at 7 AM.

Chuck and Adria's grandson, Wil Netzley, asked if anyone knew of a shop that could work on his dad's car. Clark and York Conover gave Wil some recommendations. Also, it was nice to see Chuck again after battling some health issues.

Fernando said he was happy with the Bring A Trailer auction site.

Alan informed the club that he was contacted by Larry Pettyjohn's son-in-law, Mark, about selling Larry's '56 Bel Air. It has been in storage for 10 years.

BIRTHDAYS / ANNIVERSARIES: Clark announced the birthdays and anniversaries for September 2025.

50/50: Dale Kredell won the 50/50 in the amount of \$72. That's two months in a row. Congrats Dale.

BADGE RAFFLE: The badge raffle was won by Caren Blumfield but she was not in attendance. \$35 next month.

FLOOR DISCUSSION: On a funny note, Harry Stein, asked the members if anyone had ideas on how to get rid of racoons in his backyard. Many had answers, but I will not print them.

Lunch at the Junkyard in Simi Valley.

Meeting adjourned at 10:40 AM.

Respectfully Submitted,
James Stevens

HOW I BECAME INTERESTED IN TRI-FIVES . . . By Dale Kredell

Often times people ask me how I became interested in Tri-Fives. I am sure this occurs because "I look so young" and this is how I reply.

I grew up in Grosse Point, a suburb of Detroit, Michigan. I was the only boy with 3 younger sisters. My mother had 4 kids by the time she was 22. She got divorced before I turned 7. She caught the eye of a man that changed my life "Bill Kredell." He was an old school auto bodyman. This was in the day of lead, rebuilt $\frac{1}{4}$ panels with no Bondo. He had built a career in Michigan and began restoring wrecked cars in his garage before the days of salvage title. His cars were beautiful. Bel Airs and Nomads were his favorites, but he always liked English Sports cars as well. He ventured off to California working for Kramer Motors and later opened up a shop on Van Nuys Blvd. near Sherman Way with his friend, George Grey, who later became famous as a Hot Rod Painter.

In 1962, he married my mother and we took off for California on Route 66. We arrived after New Year's in 1963. The trip took 3 days in a 1956 Chevy 2 door Station Wagon, towing a 1957 Plymouth Fury. The '56 wagon became my first car when I was 16.

I am sure I learned to appreciate cars and women from my dad. Before I turned 18, I had bought, fixed up and sold 8 cars. Two were 56 Chevys. The second one had a 348 engine with 4:56 Posi rear-end. It was fast as hell for 2 blocks on Van Nuys Blvd. My other cars were a Triumph TR2, Austin Healy Bug Eye, a '59 Corvette, a '63 Falcon Sprint and a '49 Ford Woody and a couple of Falcons.

Everything I owned I worked for. I owned the '59 Vette for 2 weeks. I had purchased it from the car dealer on Van Nuys across the street from McDonalds. It cost me \$1,500.00. I gave the guy \$1,000 and he took a note for the \$500.00. But when I went to get insurance I couldn't afford it as the insurance cost more than the car. I traded it for the 63 Falcon, no problem with insurance. It came stock as a pre-model of the Mustang, it had a 260 engine, dual carbs, Hurst shifter and cut outs. It blew the doors off of GTOs at the time. Unfortunately, it caught on fire in front of Van Nuys Golf Course and burned to the springs. No comprehensive insurance, my girlfriend and I towed it home with a tow rope the next day.

Prior to my graduation, my dad bought me a used '65 Malibu SS, it needed a little body work and repair. I sold the parts off the Falcon and I fixed up the Malibu. I bought a 327 and rebuilt it in my apartment closet as well as other crazy things. I've been doing crazy things like that ever since and it continued to feed my future obsession with classics.

By 22, I got married, moved on to buying houses, having kids, and building a business. Leaving cars behind for a little while, only to come back, with my '78 Porsche SC in '83. I am a kid that never grew up. '55's have always been my favorite. This one is my second. "I'll probably have to trade up to a '57 when I grow old."
