1968 Chevelle 300

By Jeff Lemieux

This car was originally a government car. It was the Public Utility District car for Earlimart, CA. from 1968 until around 2000. Earlimart is small farming town about 40 miles north of Bakersfield off of Highway 99. The car was purchased at Merle Stone Chevrolet in Tulare, CA. The car was sold to the first private owner around 2000. He lived in Three Rivers, CA. (a somewhat nearby community to Earlimart) and had known about the car for quite awhile. He sold the car to me in July 2019 making me the third overall owner (second private owner). I got the car with 58,500 original miles. I have the original registration paperwork, the unused protect-o-plate and a barely legible build sheet (car was built in Fremont, CA.). I also have the original black government exempt "E" license plates.

FOR SALE:

1959 CHEVY SEDAN DELIVERY (VERY RARE) 6 CYLINDER, 3 SPEED MANUAL, ORIGINAL CAR, GREAT DRIVER. GARAGE RESTORATION. ALL NEW COILS, NEW A ARMS, FRONT AND REAR SWAY BARS. EVERYTHING WORKS. CURRENT REGISTRATION. ASKING \$50,000.
